Financial Executives International of Dallas

Elizabeth is a Director in the Business Advisory Services group. She joined the Firm in January 2016. Elizabeth's experience includes executive level management consulting and controller, Chief Financial Officer, and Chief Operating Officer positions. A trusted advisor with strong leadership skills, Elizabeth's focus is turnaround management, accounting systems, strategic planning in operations and marketing, short and long range planning, budgeting, cash flow forecasting, and identification of key business drivers. Elizabeth has launched customer driven marketing programs to produce dramatic increases in revenue. She has a background in developing and implementing financial systems to facilitate sales, operations, and management decision making.

Prior to joining the Firm, Elizabeth spent 5 years at Vent-A-Hood as the CFO, focused on systems improvement and profitability. Prior to that Elizabeth served in Director of Finance and Operations, Chief Financial Officer, and Chief Operating Officer roles at various hospitality, real estate, Oil & Gas, and service companies throughout Texas.

Elizabeth has significant experience creating process improvements, transaction processing efficiencies and strong knowledge of technology platforms for ERP's with implementation oversight. She has worked on functional teams converting to OneStream for corporate performance management and consolidation tool implementations. Elizabeth has managed the implementations of various softwares including OneStream, Workday, QuickBooks, Intacct, Acumatica, Great Plans, NetSuite, Microsoft Dynamics and Sage.

Elizabeth is a Certified Public Accountant and holds a Masters of Business Administration with a concentration in Accounting from the Freeman School of Business at Tulane University as well as a Bachelor of Business Administration from the McCombs School of Business at the University of Texas at Austin with a major in Finance.
